Getting involved....

Join us as the Eastern and Western Michigan Sisterhoods come together for a day of sharing and new ideas and perspectives to take back to your Sisterhoods and congregations for the 2017-2018 year and beyond

We will be talking about how you personally, or your sisterhood as a group, can get involved helping in your temple and community. You will also be learning about issues and advocacy locally, nationally and around the globe.

This is the perfect time for both new boards and “old” boards to get together and transition to a better, more connected next year.

Sheilah Abramson-Miles, WRJ Central District President will be here.

Lunch included. Reserve your space.

Make checks out to:

Cindy Bolokofsky, 4800 Cider Hill Dr, Rochester Hills, MI 48306
